### **Welcome back**

Welcome back to school and I hope you have all had a good break, whether that was going away or staying home with your families.

This term brings lots of fun events and also some key assessment times for the children in school. We aim to keep the balance right, and ensure that children continue to enjoy school and the curriculum without feeling under pressure.

### **Sound Start - First Access Project**

The children in the Junior Class are going to be blessing you with the sounds of their brass playing over the next 10 weeks! We are taking part in a brass project where the children will be taught by a brass teacher from the Northampton Music Service and there will be a concert at the end of the project. It sounds fantastic, and the children and staff are looking forward to it.

### **Photos**

If you have not been into school and had a look around this term, please do. We have had 11 prints put onto canvases. They were taken in October time, and are fantastic shots. There is a CD that I have of all of the shots taken that day, and we have the right to make copies of them. I will, in the next week, print off some of the proofs, and make them available to order if parents wish. There will be an order form, and prices will be roughly 30p for a 6" x 4" up to £1.50 for a 12" x 8". (These prices are approximate and will be based on number of prints ordered as a whole.)

### **Clubs**

A new clubs list will be posted next week, and clubs will start on Monday 25<sup>th</sup> April. Again, please take note of the days, times and year groups. If clubs need to be cancelled, we will try to give notice the week before on the newsletter and if not, via the texting service.

Have a lovely weekend, I am off cycling and running in preparation for some event I have entered, more about that another week!
