Stars of the Week

Well done to Maisie in the Infants for achieving Star of the Week. Well done to Lukeyta and Liam in the Juniors. Well done to Luis for achieving the lunch time star.

Class	Attendance %
Infants	95.90%
Juniors	91.30%

Due to meetings this week there will be no after school PE, SATS, or choir for this week only.

It was great to see so many of you at parents' evening on Tuesday and I hope you found it useful to see your child's work and hear how they are getting on in class. Thank you also to the parents who completed the questionnaire. It is really useful to hear your thoughts and ideas as we all work as a team to improve and develop our school.

I am currently thinking about making a few changes to the newsletter - sending it less often but ensuring each term that we send out key dates for the term ahead and then each week just sending through a breakdown of the following week as a reminder of the dates. We can then have a newsletter with articles about what has been going on in school - maybe some contributions from the children, photos etc. Let me know your thoughts on this as you are the audience who we write it for. What would you like included? How often do you think we should get them? Any feedback greatly appreciated.

Have a lovely weekend with your family and I look forward to seeing you all on Monday.

Best Wishes

Jude Busari

To Reception Parents

Please can the children bring in the cardboard tubes from toilet rolls and kitchen rolls for next week? Many thanks

Dear Parents/Carers

There will be no Infant Sport club on Monday as the staff have to go to some training. The last infant sports club will be on Monday 26th March. After the Easter Break it will then continue as a Key Stage Two club with the first session being on Monday 23rd April. If your child would like to come to it, please indicate this on the sign-up sheet outside the office. Year 6 children should still attend boosters until SATs are done and then can join the club.

Best Wishes

Jude
