Cross Country

The Junior children yesterday took part in the Cluster Cross Country and were fantastic in terms of their efforts and determination. They had to run a long distance, and all completed the course, nearly all still smiling. A great effort children, and you should all be very proud of yourselves, so well done.

Stoke Road Path

A reminder there is an official opening of the new path on Wednesday 23rd March after school at 3:30pm and two children from school will be cutting the official ribbon! You are all welcome to attend this event.

Easter Service

You are all welcome to attend a short Easter Service on Thursday 24th March at 9:30am in the church. Children will lead a short Easter Service and then you are welcome to stay behind for refreshments, served by our Year 6 children.

Times tables in the Junior Class

When we arrive back after Easter, we will be stepping up our times tables focus in the Juniors in a structured way. Children will have a set of tables to focus on, it may range from one set, to two, to possibly revision of them all! They will work on these tables in school and these will be assessed every fortnight. Children will be encouraged to practice with you at home, and later next week the Juniors will be bringing home a leaflet to help with this. Children will also know next week their initial times tables starting point, so you can give them a head start if you like. Once children know up to 12 x 12 inside out and back to front, they will be encouraged to become faster at them, and know all the related division facts, also at speed!

Have a lovely weekend, and I look forward to seeing you all at our Easter events next week,

Mrs Whitlock
