Homework Club	Mrs Moffat	Tuesday 12.30-1.00pm	Juniors

Stars of the Week

Well done to Barney in the Infants for achieving Star of the Week. Well done to Caden and Amy in the Juniors.

W/C 12th March 18

Class	Attendance %
Infants	91.70%
Juniors	99.00%

Well done Juniors. What a fantastic achievement. If we get 100% from either the infants or juniors in a week then that class will get a team point each. If we have 100% attendance in the juniors **and** infants it's a team point each and a donut day!!!

I am busy planning the Easter Egg Hunt ready for Thursday. This time we will be going on a trail around the village so I hope as many of you can come as possible at 2pm to take your child around the trail. If you can't make it though, don't worry – they will still get to take part.

A really great performance from the Year 5/6 Netballers on Thursday night at EWS. They worked really well as a team and came 5th overall, winning their playoff game against Hardingstone 6-1. They represented the school brilliantly and were a pleasure to take to the tournament. Well done to all involved.

We have lots going on in school next week. We have been working hard on our lunchtimes to get more equipment outside to keep the children interested and busy. On Monday we will be having a play cottage installed outside that the children will be able to use for imaginative play at lunchtimes and playtimes. The children are really excited about this and I look forward to seeing them get lots of fun out of using it.

Thank you to all those who have returned their reply slips ahead of next week's meeting on Tuesday at 3.30pm. I am looking forward to seeing you all there, talking about the journey so far and the things we are still continuing to develop as well as introducing you to Mr Goddard who will be joining us from September.

Have a lovely weekend with your family and I look forward to seeing you all in school on Monday for the final 4 days of the term!

Best Wishes

Jude Busari
