Ashton's Values

We work really hard at school with a focus on a Christian value each term. We talk about the value and what it means and encourage the children to demonstrate this in their behaviour both in and around school. Our values are: self-control, forgiveness, trust, perseverance, compassion and honesty. We also have school rules which are built on respect. Please can I ask you to support our work in school and talk to your children about the values and what they mean. Children learn best when they see these values being demonstrated by adults as role models. This term we are particularly focusing on forgiveness.

We have come to the end of our first Talk for Writing unit on Jack and the Beanstalk and the writing the children have done has been incredible. The progress from their first piece of work to their final piece of work is incredible. It was lovely to visit the Snug on Thursday and see the Reception children perform a puppet show of Jack and the Beanstalk. It has had a real team feel with us all working on the same text.

A staffing update for you, Miss Kayleigh Williams will be leaving us just before half term to take up an exciting role at Pineham Barns Primary School. She will be greatly missed at Ashton and I am sure will be fantastic in her new role. I am delighted to tell you that Mrs Rachel Forrester will be working as an Early Years Practitioner within the Infant Class from after half term. She is really excited with this new role and I am confident she will do a great job.

Only two more weeks to go before half term! Have a lovely weekend and I look forward to seeing you all in school on Monday.

Best Wishes Mrs Busari
