Friday: Advanced guitar club lunchtime

## School Baseball Caps and Sun Cream

We hope now that we are moving towards warmer days we need to remind parents and carers that children will need to have sunscreen and caps in school. School logo'd baseball caps are available from the school office for £5.00. We also have a handful of the legionnaires hats left for the same price. Please name any sun cream. There is usually a basket to put sun cream in for the Infants. Juniors should keep theirs in their bag. Due to school regulations we regret that we are unable to actually put sun cream on children so if they are unable to do it themselves we suggest it is applied before they come to school. Thank you.

Lip sols and Vaseline. Please can children bringing them in use clear lip salve only as many are starting to look like lipstick which is not allowable. Many thanks

## Road Day Nursery and Preschool at EWS

Road Day Nursery are thrilled to announce that we have now been granted Planning Permission. Building work will commence mid-February aiming to be open mid-April. Please visit our website at [www.roadedaynursery.co.uk](http://www.roadedaynursery.co.uk) to register your interest under admissions. Thank you.

### **After School care In Large Homely Environment**

Local Registered Child minder, based in Hartwell, collecting daily from Ashton Primary School.

Come and visit us, you and your children will be most welcome!

Call Teresa on 07985 168443 for details or speak to Ginny who knows me well!

### **From Mrs Whitlock**

This week has been great fun, and the excitement was evident on Tuesday morning when the children saw the eggs for the first time. Countdown to hatching has begun.

### **Sainsbury's Vouchers**

If you have any Sainsbury's Active Fit vouchers in your house and you would like to donate them to school, please pop them into the office. We only have a small number this year so far but can use them to buy extra play equipment.

### **Allotment**

The school has managed to obtain an allotment in Ashton and so after I have persuaded Mr Whitlock to do some preparation, we will be running an allotment club in the last term. It will be great for children to get to see how things grow and be fully involved in this process. Watch this space.

### **Year 6 SATS**

Year 6 children had a letter on Wednesday, and I forgot to include the information as to which tests are on which day! Apologies - the children have an additional handout!

### **End of day arrangements**

Please can I remind you that once children have left their classrooms and have been delivered to you, they need to remain under your supervision, not coming back in and out of school. If they have forgotten something, please can you wait until the rush is over, and then escort them back in. Also younger siblings, should be closely supervised, and if they do need to use the toilet in an emergency, please escort them in quietly as the staff and children will still be working.

Have a lovely weekend and enjoy the extra day off on Monday,

Mrs Whitlock

Dear Infant Class Parents,

As part of design and technology this term we will be designing and making a bird feeder. Please could you begin saving a small selection of plastic items for your child to use, such as yoghurt pots and plastic bottles. Feel free to talk to your child about what they might like to do and therefore collect. However I would be very grateful if you could keep your collections at home until we need them. I will let you know when to bring them in.

Thank you so much for your help with this matter.

The Infant team

## Junior Class- Salcey Forest

On Wednesday 11th May the Junior class will be spending the afternoon in Salcey forest. We shall be looking for evidence of plant and animal life cycles. We will be leaving at 12.30 after lunch so that we can eat lunch at school, but still have time to go on the play area there. We will return to school by 3.15. The children need to bring joggers/tracksuit bottoms and old trainers or walking boots to change into. We will be doing quite a bit of walking so wellies might not be so comfortable to wear (or climb with) but if it looks like it's going to be muddy, then do send with wellies if you prefer. They also need a waterproof coat as we will still be going if it is drizzly!

Thanks. Diane Shadforth
