## **Welcome Back!!**

Dear Parents/Carers,

I hope you all had a lovely summer break. It is lovely to see all the children back in school, ready to learn.

The staff have been really busy over the holiday sorting out the classrooms and making sure that we look as smart as possible to visitors and prospective parents. Yesterday we had a visit from a school improvement advisor and he commented on how nice the school looked and how purposeful the classrooms were. I was certainly proud to show him around.

We are continuing our school improvement journey and will be working hard to ensure that children achieve their best both academically and socially. We will be planning a meeting for parents in the coming weeks to pop in and meet the teachers and give some ideas on supporting children at home with their learning.

I am so positive about the year ahead and am really looking forward to the journey, working alongside the wonderful staff, parents and children. Please spread the word with your friends and families about the positive journey we are on and encourage them to come and visit if they are looking for schools for their children.

I hope that you like the new format for the newsletter. If you have any questions or queries, please do not hesitate to come and see me.

Thank you for your ongoing support, it is much appreciated.

With best wishes

Jude Busari  
Head Teacher

## **Junior Class – Alien Crash Landing!!**

The children have had an exciting day today discovering an Alien crash landing site at the school. Ask them about it at home time!
